("the Named Authors") in Fluid Dynamics Research ("the Journal")

2. Transfer of Copyright Agreement

2.1 On acceptance for publication the undersigned author(s) ("Author") of the Article assigns exclusively to JSFM worldwide copyright in the Article for the full term and for all media and formats in all material published as part of the Article, which expression includes but is not limited to the text, abstract, tables, figures and graphs, but excludes any supplementary material.

2.2 If any of the Named Authors are Government employees, on acceptance for publication the Author shall grant JSFM a royalty free exclusive licence for the full term of copyright for all media and formats to do in relation to the Article all acts restricted by copyright worldwide.

2.3 On acceptance for publication the Author shall grant JSFM and IOP a royalty free non-exclusive licence for the full term of copyright for all media and formats to do in relation to any supplementary material deemed to be part of the Article all acts restricted by copyright worldwide.

3. Author Rights

3.1 JSFM grants the Named Authors the rights specified in 3.2 and 3.3. All such rights must be exercised for non-commercial purposes, if possible should display citation information and JSFM's copyright notice, and for electronic use best efforts must be made to include a link to the on-line abstract in the Journal. Exercise of the rights in 3.3 additionally must not use the final published JSFM and IOP format but the Named Author's own format (which may include amendments made following peer review).

3.2 The rights are:

3.2.1 To make copies of the Article (all or part) for teaching purposes;

3.2.2 To send the PDF of the Article on IOP's web site to up to 50 researchers for their personal use;

3.2.3 To include the Article (all or part) in a research thesis or dissertation;

3.2.4 To make oral presentation of the Article (all or part) and to include a summary

and/or highlights of it in papers distributed at such presentations or in conference proceedings; and

3.2.5 All proprietary rights other than copyright.

3.3 The additional rights are to:

3.3.1 Use the Article (all or part) without modification in personal compilations or publications of a Named Author's own works (provided not created by third party publisher);

3.3.2 Include the Article (all or part) on a Named Author's own personal web site;

3.3.3 Include the Article (all or part) on web sites of the Institution (including its repository) where a Named Author worked when research for the Article was carried out; and

3.3.4 Include the Article (all or part) on third party web sites including e-print servers, but not on other publisher's web sites.

4. Signature

In signing this Agreement the Author represents and warrants that the Article is the original work of the Named Authors, it has not been published previously in any form (other than as permitted under clause 3.2.3 which fact has been notified to IOP in writing), all Named Authors have participated sufficiently in the conception and writing of the Article, have received the final version of the Article, agree to its submission and take responsibility for it, and submission has been approved as necessary by the authorities at the establishment where the research was carried out.

The Author warrants that he/she signs this Agreement as authorised agent for all Named Authors and has the full power to enter into this Agreement and to make the grants it contains, that the Article has not been and will not be submitted to another publisher prior to withdrawal or rejection, it does not infringe any third party rights, it contains nothing libellous or unlawful, all factual statements are to the best of the Author's knowledge true or based on valid research conducted according to accepted norms, and all required permissions have been obtained in writing.

All Named Authors assert their moral rights.
