

Fast Track your research

With Journal of Physics D: Applied Physics

Journal of Physics D

Applied Physics

Fast Track Communications

Accelerated publication of outstanding short research articles.

High Quality

- Excellent quality, written in a clear and concise style

High Impact

- Reporting timely and significant advances in applied physics research
 - High interest to the community

High Profile

- Permanently free-to-read online
- Special promotion of your article to selected colleagues

Fast Track your research

Go to www.iop.org/journals/jphysd

Don't forget to tell us why you think
your paper should be fast tracked

For more information, including guidelines on submitting your next paper,
visit www.iop.org/journals/jphysd or e-mail jphysd@iop.org
