

REGISTRATION FORM

If your organization has an institutional rate subscription to one or more of IOP Publishing's journals, you can use this form to register for full text access to our Electronic Journals service. This will enable your users to access the Standard Service or, by means of personal usernames and passwords, an Enhanced Service that offers valuable personalization options. If you choose not to register, your users will still have online access to the abstracts and tables of contents of all journals.

Please complete this form as fully and as clearly as possible (further instructions appear at the end of the form).

Please note: you only need to register your institution once. It is not necessary to register each time you subscribe to a new title. If you would like to tell us about any changes to your institution's details e.g. IP address, site contacts etc, please e-mail the information to custserv@iop.org.

Network information

If you have any problems completing this section, your network support specialist should be able to help. He or she can then contact IOP Publishing for assistance if necessary (custserv@iop.org).

You can register class B subnets, class C subnets or individual IP addresses (or ranges thereof). We need to know the first two sets of numbers for each class B subnet (e.g. 130.111) or the first three sets of numbers for each class C subnet (e.g. 193.61.240). If you have a range of subnets then please supply them in this format: 193.61.1 to 254. All of the IP addresses you list must be registered so that they can be looked up on regional registries. Please specify the location of each subnet you register (e.g. Physics Department, University of Pennsylvania, Philadelphia, PA)

Subnet IP address:	Location
<hr/>	<hr/>
<hr/>	<hr/>
<hr/>	<hr/>
<hr/>	<hr/>

If you need more space, please attach an additional sheet. Each additional sheet must be signed and dated.

Please answer the following questions:

1/ Is your institution the only institution using the above subnet(s)?

Yes No

2/ Is your location the only location using the above subnet(s)?

Yes No

If you answered 'No' to question 1 or 2 (or both), please note that you might require a Network or Consortium Licence. Information on our networking policy can be found online at www.iop.org/Support/EJ/network.html.

3/ Do you operate caching or proxy servers within any of the above subnet(s) that are accessible by users outside your institution/location?

Yes No

If you answered 'Yes' to question 3, please supply the IP address(es) of the caching/proxy servers:

If known, please provide the name of your Internet Service Provider (this will help us to trace any connectivity problems):

TERMS AND CONDITIONS

TERMS AND CONDITIONS FOR USE OF THE ELECTRONIC JOURNALS SERVICE BY EDUCATIONAL AND COMMERCIAL INSTITUTIONS

This section sets out the terms and conditions on which IOP Publishing Limited ("IOP") will make access to its Electronic Journals service ("the Service") available via its World Wide Web server ("the Server") to the Institution set out above ("the Institution"). Please read these terms and conditions carefully. By signing below you certify that you have read and agree to be bound by all such terms and conditions and you certify further that you are authorized to sign this form on behalf of your Institution.

Scope of Licence

IOP permits Authorized Users at the Institution to access the Service through the Institution's IP addresses set out above. If you are a commercial Institution "Authorized Users" mean the Institution, its employees, contract staff (permanent or temporary) and persons with authorized access to the Institution's information facilities on site using one of the IP addresses set out above.

If you are an educational Institution "Authorized Users" mean the Institution, its employees, faculty (permanent, temporary and visiting), students officially affiliated with the Institution, persons with legal access to the library's facilities on site using one of the IP addresses set out above and contract staff (permanent or temporary).

Access is limited to the site addresses above except that where the Institution wishes to allow Authorized Users to access the Service from terminals or work stations at locations other than the site addresses set out above, this may be done via public access, caching and proxy servers, or some other recognized authentication system such as Shibboleth provided that the Authorised User accesses the Service through an IP address set out above and provided further that the Institution has adequate security measures in place to ensure that only Authorized Users access the Service via the applicable method.

For both commercial and educational Institutions access extends only to Authorized Users individually and may not be transferred or extended to others. The Institution will take all reasonable measures to ensure that only Authorized Users can access the Service and ensure that Authorized Users are made aware of and understand the restrictions and prohibitions on use set out in these terms and conditions and that they abide by them. The Institution will also exercise vigilance and be responsible for all display and access control including security measures necessary to ensure that the Service is only accessible by Authorized Users. The Institution will make every effort to enforce these terms and conditions on receiving information that reasonably indicates that they are being violated.

Permitted Use

Authorized Users may access, download, store, search and print hard copy of text. Copying must be limited to making a single printed copy or electronic copies of a reasonable number of individual articles or other similar items. No text accessed via the Service may be made available to

non-Authorized Users either for commercial reward or free of charge except that for inter-library loan purposes a single paper copy of an electronic original may be made and sent non-digitally to a library in the same country as the Institution under fair dealing/ use exemptions. In addition for inter-library loan purposes the Institution may make a single paper copy of an electronic original available to a library in the same country by secure transmission using Ariel (or its equivalent) whereby that electronic file is deleted immediately after printing. Such supply must be for the purpose of research or private study and not for commercial use or onward transmission or distribution. In the US such copies may only be made in compliance with Section 108 of the Copyright Act of the US and within CONTU guidelines.

Access is granted to Authorized Users of commercial Institutions solely for internal research, testing or training purposes or for personal use in accordance with these terms and conditions.

Access is granted to Authorized Users of educational Institutions solely for private study or research for a non-commercial purpose by Authorized Users. Such Authorized Users may use the Service for educational resources such as "course packs" made available solely to Authorized Users provided that electronic copies included in such educational resources are removed or deleted at the end of the semester or term in which the relevant course ends. Such Authorized Users may also make brief quotations from the content of online journals with the customary acknowledgement of the source, and copy and transmit content from individual online articles in "person-to-person" and non-systematic scholarly exchanges of information.

The Institution and Authorized Users may only use this online access in a way that does not breach the laws of the country in which they are accessing the Service.

Prohibitions

Altering, recompiling, systematic or programmatic copying, reselling, redistributing, supplying, publishing or republishing (beyond the brief quotations permitted above) of any journal text, output, search results or other information from any part of the Service, including, without limitation, copyright, proprietary or other legal notices, in any form or medium is prohibited. Downloading an entire issue of a journal, systematic downloading, service bureau redistribution services, printing for a for-fee-service purpose, document delivery services and/or the systematic making of print or electronic copies for transmission to non-Authorized Users (beyond that permitted above) are prohibited.

Duration

The agreement between IOP and the Institution set out in these terms and conditions shall become effective on acceptance by IOP and, subject to these terms and conditions, will remain in effect so long as the Institution maintains a current subscription to an IOP journal. This agreement will terminate (a) immediately if these terms and conditions are materially breached and such breach is not remedied within 30 days of the breaching party receiving a written request to remedy such breach; (b) following 30 days prior written notice by either party to the other; or (c) on the date that the Institution ceases to have any subscription to any IOP journal. This agreement will also terminate if the Institution rejects a change to these terms and conditions notified to it by IOP. In the absence of any rejection within 30 days of notification any new terms and conditions will apply. In relation to electronic-only journals, online access ends when the subscription ends but the Institution may buy the content to which it had access when subscribing.

Copyright

IOP's online journals and their content, including abstracts, are copyright IOP or are made available under licence and are subject to all applicable copyright, database protection and other rights of copyright owners and publishers under the laws of England and other countries. Authorized Users shall claim no ownership by reason of their use of or access to the Service. ALL RIGHTS RESERVED.

Availability

IOP shall use its reasonable endeavors to make the Service available on a 24 hour basis, subject to IOP's right to suspend access in order to carry out routine maintenance, repairs, testing, reconfigurations or upgrades and unavailability caused by circumstances beyond IOP's reasonable control including, but not limited to, downtime relating to telecommunications lines or any Internet nodes or facilities. But if access is suspended or interrupted or fault or defect occurs which prevents access IOP's liability shall be limited to using all commercially reasonable efforts to restore access as soon as is reasonably practicable. IOP shall have no other liability in this respect. IOP will not be liable for any delay, downtime, transmission error, software or equipment incompatibility, force majeure or any failure of performance beyond its reasonable control.

IOP reserves the right to suspend access to the Service on detecting a breach of these terms and conditions but will not do so without notifying the Institution in advance.

Disclaimer of Warranties

IOP WARRANTS THAT IT IS ENTITLED TO GRANT THE LICENCES IN THIS AGREEMENT. IOP WILL TAKE REASONABLE CARE TO ENSURE THAT ITS ONLINE JOURNALS ARE COMPLETE, ACCURATE AND ERROR FREE BUT IOP DOES NOT WARRANT THEIR COMPLETENESS OR ACCURACY AND DOES NOT WARRANT THAT THE INSTITUTION'S ACCESS TO THE SERVICE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE RESULTS OBTAINED WILL BE USEFUL OR WILL SATISFY INSTITUTIONAL REQUIREMENTS.

OTHER THAN AS SET OUT ABOVE IOP MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED WITH RESPECT TO THE SERVICE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPATIBILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

IOP WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR OTHER DAMAGES ARISING OUT OF OR IN CONNECTION WITH THESE TERMS AND CONDITIONS AND/OR USE OF THE SERVICE, INCLUDING WITHOUT LIMITATION FOR LOSS OF PROFIT, LOSS OF REVENUE, LOSS OF CONTRACTS, BUSINESS INTERRUPTION OR FOR LOSS OF DATA.

IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF IOP FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF A BREACH OR TERMINATION OF THIS AGREEMENT OR ACCESS TO THE SERVICE, WHETHER IN CONTRACT TORT OR OTHERWISE, INCLUDING WITHOUT LIMITATION, DUE TO NEGLIGENCE, EXCEED THE TOTAL AMOUNT PAID BY THE INSTITUTION TO IOP FOR THE SUBSCRIPTIONS DURING THE SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED EVEN IF IOP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL CLAIM, LOSS OR DAMAGE.

THE FOREGOING LIMITATION OF LIABILITY AND EXCLUSION OF CERTAIN DAMAGES SHALL APPLY REGARDLESS OF THE SUCCESS OR EFFECTIVENESS OF OTHER REMEDIES.

REGARDLESS OF THE CAUSE OR FORM OF ACTION THE INSTITUTION MAY BRING NO ACTION ARISING FROM THESE TERMS AND CONDITIONS MORE THAN SIX CALENDAR MONTHS AFTER THE CAUSE OF ACTION AROSE.

THE INSTITUTION ASSUMES THE SOLE RESPONSIBILITY FOR ALL USE OF THE SERVICE THROUGH ITS IP ADDRESSES AND HEREBY INDEMNIFIES AND AGREES TO HOLD IOP INDEMNIFIED FROM ANY LIABILITY OR CLAIM OF ANY PERSON ARISING FROM SUCH USE.

General

This Agreement may not be assigned by the Institution to any other person. Failure to enforce any provision on any one occasion will not affect a party's right to enforce another provision or the same provision on another occasion. This agreement constitutes the entire agreement between the parties relating to the Service and supersedes any prior communication between them with respect to the subject matter hereof. This is not intended to exclude any liability that either party may have for fraud. Any amendments to these terms and conditions must be made by written instrument signed by both parties or by an electronic communication initiated by IOP which the Institution does not reject within 30 days. References herein to Institutions include both commercial and educational Institutions unless specified to the contrary.

This agreement will be governed by and construed in accordance with the laws of England and the parties submit to the jurisdiction of the English Courts. The Institution shall not be bound by this paragraph to the extent that compliance would violate any existing law, regulation, by laws or articles of incorporation or other governing instrument.
